This is further to a refund cheque received from your office dated April 16, 2002, your cheque number 2049-63744521. The comments attached to the cheque indicated that this was because small entity status has been assigned this application..

In the original application documents, it was indicated on the Utility Patent Application Transmittal Form and the Fee Transmittal Form that the fees were being paid at the full rate. In fact, Applicant does not wish to claim small entity status, and it is the intention that the fees should be paid at the full rate. The indication that small entity status was being claimed on the Application Data Sheet was an error.

The Commissioner is authorized to charge any additional fees required during the pendency of this application to our Deposit Account 022095.

Respectfully submitted,

H. Samuel Frost
